

6013

Design by Francesco De Rossi

Majestic, compact, sleek.

6013 is a chandelier composed of “rigadin ritorto” patterns all over. The way light travels across the volume of this product makes it a great choice for a bright interior. This piece was designed in order to fit in rooms with a lower ceiling, and due to its slightly reduced height, it has been a best seller in smaller houses and apartments, as well as hospitality bedrooms. Comes in different configurations, diameter 110cm, 120cm or 135cm. Height 62cm or 70cm.
