

7063

Design by de Majo Heritage

Timelessly elegant traditional piece.

7063 is a masterpiece of Venetian artisanal glassblowing. This composition is a highly ornate engineering wonder. A “rezzonico” style chandelier which develops in three levels and looks structurally unique. Beautifully handcrafted details confer great wealth to the look of this piece, while maintaining strict elegance, as for Venetian tradition. 7063 comes in several configurations, including wall lamp, and is highly customizable. Diameter 90cm, 110cm, 120cm.
