

7067

Design by de Majo Heritage

A precious heritage piece.

7067 is a beautiful traditional style chandelier which is popular thanks to its beautiful colour tones, which contribute to a sophisticated yet bold look. This piece is a Venetian classic, and comes in different configurations, including a wall lamp version. The level of detailing in this piece is amongst the highest in our collection, placing this product in a niche category of authentic Venetian wonders. Diameter 80cm, 90cm and 110cm.
