

7096

Design by de Majo Heritage

Showcasing Murano culture.

7096 is a sober, elegant chandelier with a timeless look. Decorated with simple handblown drops, this piece has embedded 24k gold leaf decorations throughout, without looking too exuberant. Available in several different configurations including wall mounted versions, the simple decor brought by this piece is nevertheless the result of handmade craftsmanship in Murano. Highly customisable. Diameter 70cm, 85cm or 100cm.
