

8000
Design by Francesco Dei Rossi

The quintessential chandelier.

8000 represents the quintessential chandelier. Its effortlessly sleek and elegant look conceals a careful study of proportions. The result is a beautifully designed and handcrafted lighting piece which harmoniously decorates the homes and hospitality structures of the world. Well balanced and with an universally appealing look, this chandelier is the perfect choice in a huge variety of interiors. A best seller for decades, 8000 is highly customisable and comes in several different configurations, including wall lamp versions. Diameter spans from 80cm to 160cm.
