

SIRIUS SUSPENSION LAMP

nature collection

Sirius is the brightest star visible from any part of Earth, being in the constellation Canis Major the Greater Dog. Creativemary designed the Sirius suspension lamp aiming to shine in any contemporary home décor. Sirius is a modern suspension lamp which features a delicate structure in polished brass, from where a bunch of beautiful crystals emerges, creating an explosion of light, to embellish any modern living space.

MATERIALS & FINISHES

Body in polished brass with crystal and optical accents.
