

Wireflow

Design by Arik Levy.

Crafted of black, electrical cables, Volumetric's airy, three-dimensional outline lends it the feeling of being at once present and absent. The geometric volumes are tipped with LED light terminals in a contemporary take on the traditional chandelier.

WIREFLOW

Wireflow volumes for gathering spaces. Illuminate dining, living or working spaces of any scale with geometric shapes that provide a focal point without overpowering the space. Choose from multiple shapes and sizes, plus adjust lengths to suit individual tastes and project needs.

Create a personalized Wireflow pendant at vibia.com

Wireflow Volumetric pendants offer designs that are at once delicate and dramatic. Featuring intricate arrangements of fine black, electrical cables tipped with LED light terminals, its three-dimensional forms represent a contemporary reinterpretation of the traditional chandelier. Though substantial in size, its airy outline creates a feeling of transparency. Fully customisable in octagonal, square, and hexagonal shapes, Wireflow is available with 4, 6, or 8 diffusers.
