

ELISABETH

Un gioco astronomico di semisfere ispira la collezione Elisabeth - dalla più composta versione da tavolo alle suggestioni art déco della sospensione. Cromo lucido e marmo di Carrara impreziosiscono la pulizia formale dei volumi.

Elisabeth collection is inspired by an astronomical game of hemispheres: from the linear version of the table lamp to the suspension lamp, reminiscent of art deco. The formal cleanliness of the volumes is enriched by glossy chrome and Carrara marble.
