THIRTIES

Alluminio, plexiglass
Fascio di luce diffuso

Aluminum, plexiglass
Light beam: diffused

OR

Thirties è un'originale lampada da terra, dal design retrò, che diffonde una luce calda e piacevole. Il carattere decorativo di Thirties è dato da steli luminosi in plexiglass inseriti in cerchi metallici con finitura in oro ricco. Gli stessi steli sono arricchiti da pallini incisi sulla superficie grazie ad un'innovativa tecnologia laser.

Thirties is an original floor lamp that casts a warm and pleasant light. With its plexiglass stems inserted in metallic circles finished in rich gold, Thirties will add character to any room. The stems are also enriched by small dots engraved on the surface thanks to an innovative laser technology.
