

CTO LIGHTING

ROMA

THE BRAND

CTO Lighting is an exclusive, luxury lighting company, which celebrates contemporary design, premium materials and British craftsmanship. Our designs illuminate the interiors of iconic landmarks, commercial developments and prestigious residences around the world.

We hand select the finest materials, which are meticulously crafted into their unique designs, creating iconic and memorable lights. The signature materials of satin brass, bronze, alabaster, mouthblown and handmade glass are combined with design influences from both nature and architecture.

The handmade nature of the products results in truly unique lights, which produce a warm, ambient glow, setting a mood of sophistication and elegance.

There is a longevity to CTO Lighting products; the design and manufacturing process is always carefully considered and is timeless beyond trends. Lights can be selected from the CTO Lighting collection, or may be customised for your individual requirements.

Inspired by the great architectural forums and churches of Ancient Rome, the ROMA collection takes reference from the vast alabaster windows, used to cast an ethereal glow that bathed the floor in warm light.

The collection celebrates the simplicity of line and form, and it is designed to highlight the noble quality of materials, from its ancient alabaster stone to its brass columns.

Illuminating both upwards and downwards, like the ancient church windows, the light diffuses through the unique alabaster veining of each ROMA shade, projecting a warm ambient glow.

The lighting effect gives the illusion of candlelight which is enhanced through the LED light source. Both pendant and wall lights in the ROMA collection are lit by a fully dimmable, integrated LED, producing a sophisticated ambience, cascading the light throughout the room.

 ROMA PENDANT | BRONZE

The modern silhouette of ROMA creates a sleek profile which seamlessly highlights a wall or ceiling within its multi-arm pendant and wall light fixtures.

 ROMA WALL | BRONZE

The compact nature of ROMA makes it versatile for use in almost any scale of interior, being especially suited for spaces with lower ceilings or where a minimal yet striking lighting scheme is required.

The new IP44 rated wall light is the perfect blend of elegance and practicality. Specifically designed to effortlessly elevate bathrooms, wet rooms and shower rooms, this version of ROMA Wall is resistant to splashes of water and high humidity areas. For an innovative lighting solution and a touch of understated luxury, ROMA Wall Tall IP44 is perfect for positioning on either side of a bathroom mirror. The LED light source emanates from beneath the surface of the natural alabaster stone, highlighting the distinctive veining and providing an ethereal glow.

MATERIALS & FINISHES

ALABASTER STONE

The unique veining of this soft, smooth, sedimentary gypsum rock creates truly unique lighting; some alabaster stone is almost white, whilst others have grey striations. The glow of an alabaster shade is evocative, ensuring a memorable and impressive piece.

SATIN BRASS & BRONZE FINISHES

A key feature of CTO Lighting's pieces is processing high-quality raw materials by hand. In the case of solid brass, various artisanal techniques are used to create the exquisite finishes of satin, antique and polished brass, as well as bronze patination. The refined metal structure of ROMA is available in the trademark satin brass or bronze finishes, curated from beginning to end to ensure the best aesthetic.

TECHNICAL SPECIFICATIONS

ROMA PENDANT

ROMPEOSB

FINISH
Satin Brass with Alabaster Stone

MINIMUM DROP
Variable, permitting to scale,
according to the space

BULBS
240V (AC 50Hz) - 45w LED 2700K
120V (AC 60Hz) - 45w LED 2700K

DIMENSIONS
1010mm (39.8 in) Dia.
1010mm x 1010mm x 190mm (w,d,h)

SUSPENSION TYPE
Metal Rod

LIGHT SOURCE
Integrated LED
Trailing edge dimmable

WEIGHT
7.5kg (16.5 lbs)

ROMA PENDANT

ROMPEOBZ

FINISH
Bronze with Alabaster Stone

MINIMUM DROP
Variable, permitting to scale,
according to the space

BULBS
240V (AC 50Hz) - 45w LED 2700K
120V (AC 60Hz) - 45w LED 2700K

DIMENSIONS
1010mm (39.8 in) Dia.
1010mm x 1010mm x 190mm (w,d,h)

SUSPENSION TYPE
Metal Rod

LIGHT SOURCE
Integrated LED
Trailing edge dimmable

WEIGHT
7.5kg (16.5 lbs)

ROMA WALL TALL ALSO AVAILABLE AS IP44 VERSION

ROMWATSB

FINISH
Satin Brass with Alabaster Stone

DIMENSIONS
54mm x 85mm x 280mm (w,d,h)

BULBS
240V (AC 50Hz) - 9w LED 2700K
120V (AC 60Hz) - 9w LED 2700K

LIGHT SOURCE
Integrated LED
Trailing edge dimmable

ATTACHMENT
Wall rose

WEIGHT
2.5kg (5.5 lbs)

ROMA WALL TALL ALSO AVAILABLE AS IP44 VERSION

ROMWATBZ

FINISH
Bronze with Alabaster Stone

DIMENSIONS
54mm x 85mm x 280mm (w,d,h)

BULBS
240V (AC 50Hz) - 9w LED 2700K
120V (AC 60Hz) - 9w LED 2700K
