

W O N D E R

La meraviglia della combinazione di più lampade Wonder di dimensioni, finiture e altezze diverse ha la stessa luminosa bellezza del vetro borosilicato con cui sono realizzate le singole canne, in finitura trasparente o fumé.

Combining more Wonder lamps in different dimensions, finishings and heights is astonishing as the luminous beauty of the borosilicate glass with which every single rod is made, in transparent or fume finishing.

Wonder
