ICE ABSOLUT

Design by Hind Rabii / 2015

A non-Belgian may not yet be able to imagine an ICE, a sweet (praline in «Belgian»). The ICE Absolut enjoys that kind of roundness that captures the senses, brimming with excitement. It is bursting with light, ready to explode in every direction or to be encased in its desires by golden or silver corsets. ICE is as asteroid of light coming from nowhere, coming from elsewhere.
