

FEEL

Feel nasce dalla combinazione di dischi tessili fonoassorbenti e steli luminosi. I dischi colorati, in tinta o a contrasto tra loro, danno vita a configurazioni sempre diverse, da sospendere al soffitto per assorbire i rumori e godersi il silenzio.

Feel comes from the combination of sound absorbing textile discs and luminous stems. The coloured discs, in matching or contrasting colours, give life to ever-changing configurations, to be suspended from the ceiling in order to absorb noise and enjoy silence.
