

MIKADO ZERO

_technical data

illuminazione personalizzabile. Dopo la premiata versione della collezione Mikado, nasce la nuova versione "Mikado Zero". Un nuovo modo di pensare gli spazi e di approcciarsi al progetto, grazie alle infinite configurazioni che possono avere il punto luce sia a soffitto che a parete, creando forme lineari o geometriche di grande effetto scenografico. Disponibile con una serie di rosoni che permettono soluzioni da 2 a 10 elementi in alluminio completi di LED a 2700K e 3000K, con o senza vetro diffusore satinato. L'intera collezione viene fornita in versione dimmerabile.

Customizable lighting. After the award-winning version of the Mikado collection, we have created the new "Mikado Zero" version. A new way of conceiving space and a new design approach thanks to the infinite configurations of ceiling and wall lighting sources that create linear or geometric patterns offering a great scenic effect. Available with a range of ceiling plates that enable solutions featuring 2 to 10 aluminum elements with 2700K and 3000K LEDs, with or without frosted glass. The entire collection is supplied in a dimmable version.

Individuell gestaltbare Beleuchtung. Infolge der ausgezeichneten Version der Kollektion Mikado entsteht die neue Version "Mikado Light". Eine neue Weise, die Räume zu entwerfen und sich dem Projekt zu nähern, dank der unendlichen Konfigurationen, die einen Lichtpunkt an der Decke wie an der Wand haben können und so lineare oder geometrische Formen mit einem effektvollen szenographischen Effekt bilden. Mit verschiedenen Rosetten, die Lösungen mit 2 bis 10 Elementen aus Aluminium ermöglichen, einschließlich LED mit 2700K und 3000K, mit oder ohne satiniertem Glaslichtschirm. Die ganze Kollektion wird in der dimmerbaren Ausführung geliefert.

Éclairage personnalisable. Après la version mainte fois primée de la collection Mikado, voici la nouvelle version "Mikado Zero". Une nouvelle manière de concevoir les espaces et d'aborder le projet, grâce aux infinies configurations possibles de l'éclairage au plafond ou mural, en créant des formes linéaires ou géométriques d'un grand effet scénographique. Elle est dotée d'une série de rosaces pour des solutions de 2 à 10 éléments en aluminium, avec des LED de 2700K et 3000K, avec ou sans diffuseur en verre satiné. L'ensemble de la collection est fourni dans la version dimmable.

Iluminación personalizable. Después de la versión premiada de la colección Mikado, hemos creado la nueva versión "Mikado Zero". Una nueva forma de concebir el espacio y un nuevo enfoque de diseño gracias a las configuraciones infinitas de fuentes de luz de techo y pared que crean patrones lineales o geométricos que ofrecen un gran efecto escénico. Disponible con una serie de florones que permiten una solución de 2 a 10 elementos en todos los componentes de LED a 2700K y 3000K, con o sin vidrio esmerilado. Todas las lámparas de la colección tienen el dimmer incorporado.

Настраиваемое освещение. После высоко оцененной версии коллекции Mikado, создана новая версия "Mikado Zero". Новый способ осмысливания пространства и ознакомления с проектом благодаря многочисленным возможностям конфигураций, которые позволяют иметь источники освещения как на потолке, так и на стене, создавая линейные или геометрические формы впечатляющего сценарического эффекта. Предоставляется с комплекции серий круглых розеток, которые позволяют осуществить решения с элементами из алюминия от 2 до 10 штук, укомплектованные ЛЕД 2700К и 3000К, с или без матированного рассеивающего стекла. Полная коллекция предоставляется в версии регулируемой яркости.
