

# AURELIA

EN

Designed by the visionary Patrick Jouin, Aurelia is a breathtaking collection of suspension lamps in which functionality and craftsmanship meet aesthetics and elegance.

Aurelia is equipped with a downwards direct light source and an upwards indirect light ring. The metal structure contains and hides from sight all electronic and heat-dissipation elements.

The LED light sources are user-friendly and easily replaceable, ensuring longevity and easy maintenance thanks to a smart disassembly system.

Available in two shapes and two sizes, Aurelia Collection offers several color combinations for the handblown glass diffuser and the metal structure.

IT

Disegnata dal visionario Patrick Jouin, Aurelia è una collezione mozzafiato di lampade a sospensione dove funzionalità e artigianalità incontrano estetica ed eleganza.

Aurelia è dotata di una luce diretta verso il basso e di un anello di luce indiretta verso l'alto. La struttura in metallo racchiude e nasconde alla vista gli elementi elettronici.

Le sorgenti luminose a LED sono facili da utilizzare e sostituire, garantendo durata e facilità di manutenzione grazie ad un sistema di smontaggio semplificato.

Disponibile in due forme e due dimensioni, la Collezione Aurelia offre molteplici combinazioni di colori per il diffusore in vetro soffiato a bocca e la struttura in metallo.
