Una lampada decorativa da parete dalle dimensioni importanti ispirata alle linee morbide degli anni '40. Circle Lamp è realizzata attraverso un grande disco leggermente concavo in metallo martellato a mano e smaltato a specchio in diversi colori sul quale poggia al centro, come una goccia, una mezza sfera in metallo specchiato finitura oro lucido. Ogni pezzo della collezione è unico grazie alla preziosa lavorazione a mano.

A remarkable size decorative wall lamp, inspired by the soft lines of the 1940s. Circle Lamp consists of a slightly concave disc made of hand-hammered metal shiny gold and mirror glazed in various colors, on which a half sphere in reflective material sits like a drop. Thanks to hand-made manufacturing techniques, each piece of the collection is unique.
