TITUS SCONCE

49257
H: 18 IN, W: 5 IN, D: 4 IN
Antique Brass
Contract Suitable As Is

Sleek and stylish, the modern form of this antique brass sconce offers a clean and streamlined visual to a wall space. The rectangular profile lends a contemporary touch to traditional lighting designs, and its steel form delivers a slight industrial appeal. When in use, the sconce appears lucent thanks to the ultramodern LED light. Its slender silhouette makes this a great light option for small spaces. Damp-rated, although limited
