Le lampade, disegnate da Brian Rasmussen, prendono il nome dalla serie di anelli intrecciati che ne definiscono la forma originale ed insolita. Una sorta di corona luminosa che dona un tocco di eleganza allo spazio in cui sono installate.

The Ring pendant lamps, designed by Brian Rasmussen, take their name from the sequence of woven rings which define their original and unusual shape. A sort of bright crown which gives a touch of elegance to the space in which it is installed.
