

PH Snowball

The fixture emits comfortable glare-free diffuse light. Matt painted undersurfaces and glossy top surfaces result in an attractive reflection of the diffused light, creating uniform light distribution around the fixture. When the light is switched on, the top portion is illuminated while the bottom part remains dark.

Product info

Mounting

Suspension type E27: Cable 3x0,75mm². Canopy: Yes. Cable length: 3m. Suspension type LED: Cable 2x1,5mm². Canopy: Yes. LED canopy contains driver. Cable length: 4m.
