

PH 3½-3 Pendant

The fixture is 100% glare-free, with a design based on the principle of a reflective three-shade system, which directs most of the light downwards. The shades are made of deepdrawn aluminium with white inner surface that ensures gentle, downward light distribution. The downward light is both soft and pleasant.

Product info

Mounting

Suspension type: Cable 2x0,75mm². Canopy: Yes. Cable length: 3m.
