PRODUCT INFORMATION SHEET

BROKIS

Name	DOUBLE TABLE
Type	table lamp
ID	PC1296

Description

Double, a collection of elegant pendent lights, is based on a shape comprising double elements crafted from different materials – glass and lightweight aluminium. These materials depend on one another to generate a unique and consonant form. The glass globe terminating in a metal ring provides a suggestive effect, with the handle on top alluding to the idea of portability. In the pendent variant, which is available in three different shapes, the upper metal section with wire rope seeks equilibrium in the scattered light and shadows as they pass through the lower metal ring and globe, while the latter consists of multiple layers of molten glass that are carefully scrutinized by the master glassmaker prior to blowing. The luminance of the LED light source is softened by a diffusor. By virtue of its scope, the Double collection is ideal for private interiors and works very well in large compositions and colour combinations. The new collection has been expanded with table and floor variants.

Technical description

The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instils distinctive, enduring character and outstanding quality in all BROKIS products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mould. Up to 70% of the resulting quality is achieved in this stage of production. Each piece is individually processed by the artisan in a series of strictly observed production stages. The collection is dimmable for quick and easy adjustment of the lighting ambience.

Glass Colour

transparent glass	A	CGC23
smoke grey - transparent glass	A	CGC516
smoke brown - transparent glass	A	CGC538
opaline - transparent glass	A	CGC38
triplex opal	A	CGC39

Glass surface

glossy surface	A	CGSU66

Body finish

metal - black matte powder coating with structure	A	CCS2673

Dimmer case

black matte powder coating with structure	A	DC2939

Cable colour

textile cable - black	A	CECL519

LED Source

DIM (TW), 24V, LED, 9.4W, 2700K-6500K, 1064lm-1141lm, RA90+	A	LEDS2940
DIM, 24V, LED, 9.4W, 2700K, 1064lm, RA90+	A	LEDS2869
