

## PEGGY

Design Hangar Group

## PEGGY SP 9

White and black. Peggy was created starting from this chromatic and material polarity. This lighting design combines the lightness of glossy white blown glass, entirely handmade, with the liveliest character of the glossy metal black or antique brass. This effective combination conveys rationality and elegance at the same time.

**cm 180 x 67**  
70" x 26"
