ABOUT

La famiglia di lampade a sospensione, da parete, da terra e da tavolo Nastro progettate da Studiopepe vedono una struttura a fascia in alluminio verniciato a polvere epossidica accompagnarsi a un peso cilindrico che ne controbilancia la flessuosità, in un ricercato equilibrio visivo. La fonte luminosa consiste in una striscia LED dimmerabile; i cilindri sono disponibili in metallo verniciato a polvere epossidica, in legno, in ottone spazzolato e in cemento grezzo.

The Nastro collection of suspension, wall, floor and table lamps designed by Studiopepe sees an epoxy powder coated aluminum band structure accompanied by a cylindrical weight that counterbalances its flexuosity, in a refined visual balance. The light source consists of a dimmable LED strip; the cylinders are available in epoxy powder coated metal, in wood, in brushed brass and in raw concrete.
